WHAT WE DO

Heavy lifting and transport. Port handling and storage. We handle all exceptional cargoes: heavy, large and out of gauge.

We offer global operational support for project cargo. With our own equipment and our years of know-how we can set your projects in motion.

**You need support?
We take on any challenge.**

Rollit Cargo has its own quay concessions in the Port of Antwerp, accommodating any transshipment, storage and assembly needs.

- _ Heavy lifts “no limits”

PROJECTS IN MOTION “We’ll handle it.”

Let us take the load off your shoulders.
If your cargo is extremely big or massive,
we’ll do the heavy lifting.

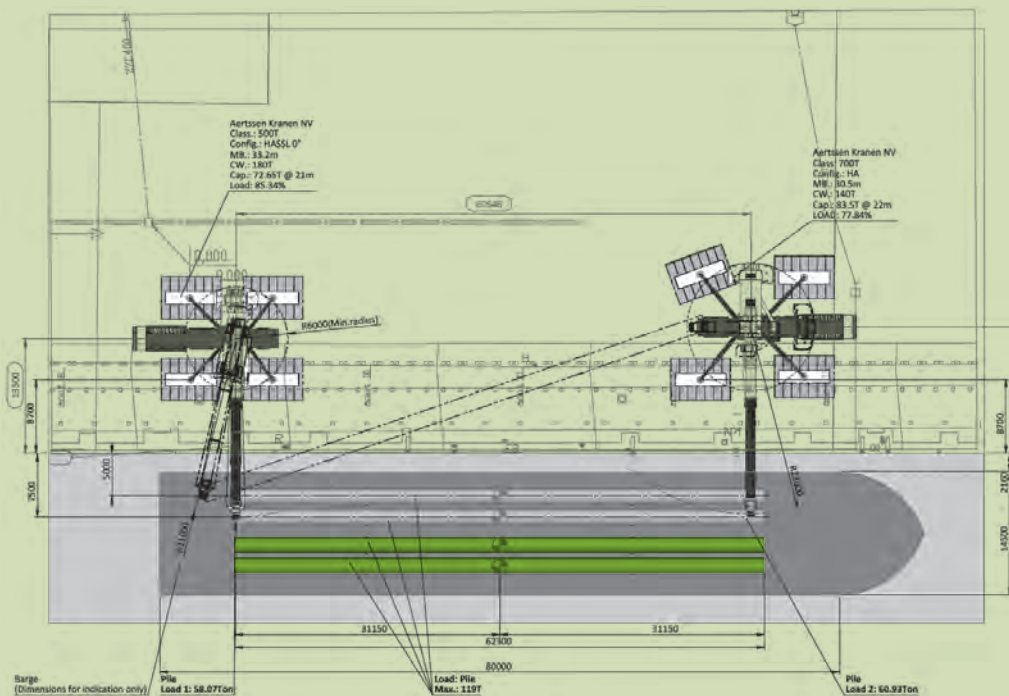

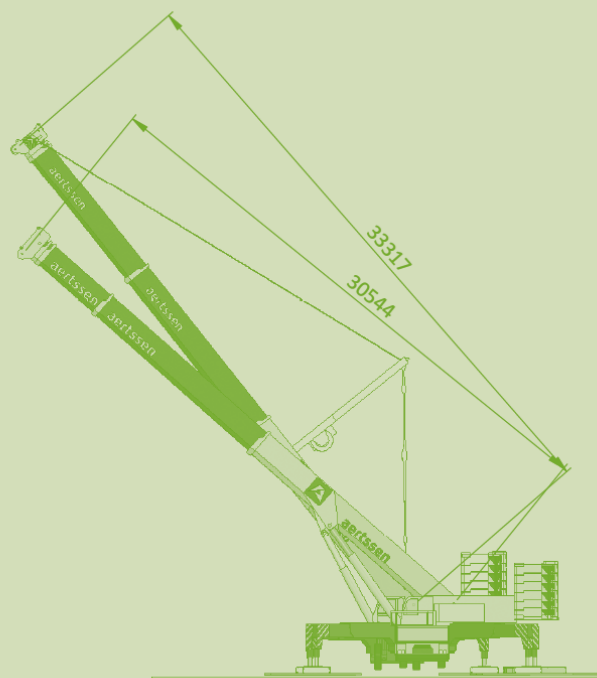

”

Heavy lifting doesn't need to be heavy spending when the job is well done.
